

ALCOM'S **Pinnacle Series Car Hauler:**

/ˈpɪn·e·kel/ noun /: The Highest Point of Development or Achievement.

Gathering market feedback from every corner of North America, our team aimed to design a car hauler package that would exceed even the most discerning of expectations. We think the results speak for themselves.

Meet the Pinnacle Series Car Hauler

Whether you're a weekend warrior headed for the track, or a classic car enthusiast transporting the latest addition to your collection, there are certain features that should never be compromised while towing your automobile: safety, security and dependability. We happen to think that list is too short. Why not expect maximum functionality and style from your trailer as well?

Highlighted by a brand new Elite escape door design and cabinetry that received a true "frame up" overhaul, the Pinnacle Series delivers an impressive list of amenities that is guaranteed to leave you smiling for miles and miles down the road.
